

Teaching Copyright

Copyright History Worksheet

Name: _____

1. Why did the framers include copyright in the Constitution? Why did they think it was necessary at the time?

2. How did Thomas Jefferson influence early copyright philosophy?

3. Both articles talk about copyright's origin as a "balance" between the rights of creators/copyright holders and the public/users, but the articles also explain how that balance has shifted. What are some examples of that shift?
